

Dear Mike/Bayway Catering Team,

Working in the film/TV industry in New York/New Jersey for many years, I have encountered many catering companies and must say without a shadow of a doubt that Bayway Catering is probably the best caterer that I have ever worked with.

You went above and beyond to make sure that our crew was taken care of and did everything that we requested and more. Each time the meals arrived on set everyone was super excited to see what was for lunch, and there were more options than any other caterer would normally give us. Gluten-free, vegetarian, vegan, keto – there were plenty of choices for any kind of diet, and most importantly, everything was always served hot, fresh, delicious and on time, which is very important in our line of work as we are always on a very fixed schedule. Communication was always super easy and clear, and every single person on the team appreciated your positive attitude and kindness.

Don't even get me started on the dessert! They were so good that we had to ask to bring less homemade cookies and brownies and cakes and pies every day because nobody could resist them!

Bayway will now be the first number we call when we have a project shooting in the Tri-State area. Thank you so much to you and your team for your excellent job. We cannot wait for the next projects with you.

Best,

Panita Chanrasmi-Lefebvre
